JOURNAL ENTRY TRANSACTIONS

The business purpose of the following SCEIS document types are for Journal Entry related transactions. The splitter (1000000000) is invoked when any JE does not balance by BA, Fund, Grant and Funded Program. When the splitter is invoked, the cash is automatically moved to balance the JE except when using Doc Type IX or Z6. When Doc Type IX or Z6 is used, it allows one Balance Sheet G/L to be entered and split across multiple Profit and Loss Account Assignment combinations. Account Assignment combinations consist of BA, Fund, Grant and Funded Program. Additional consideration is required when Use Tax Payable (2010020000) is used. Please refer to the SCEIS training material or contact the SCEIS Helpdesk.
